Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Registered Holder on such date, and may be paid to the person in whose name this bond is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, on a date established by the Trustee, notice thereof being given to the holders not less than ten (10) days prior to such special record date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the bonds of this series may be listed and upon such notice as may be required by such exchange.

Such payment of interest shall be by check mailed to the Registered Holder at his address as it appears on the bond registration books of the Authority maintained by the Trustee. All such payments shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. This bond shall not be deemed to constitute an indebtedness of the Commonwealth of Puerto Rico or of any of its political subdivisions, and neither the Commonwealth of Puerto Rico nor any of its political subdivisions shall be liable therefor, and this bond shall be payable solely out of those funds pledged for the payment thereof.

This bond is one of a duly authorized series of bonds designated "Puerto Rico Infrastructure Financing Authority Special Tax Revenue Bonds, Series 2005B" issued by the Authority in the aggregate principal amount of Three Hundred Twenty-four Million Six Hundred Twenty-five Thousand Dollars (\$324,625,000) for the purpose of providing funds for repaying certain notes issued by Puerto Rico Aqueduct and Sewer Authority and paying certain expenses of issuance. This bond is issued under and secured by a trust agreement, dated as of October 1, 1988, as amended (said agreement, as so amended, together with any supplemental agreements therein permitted, being herein called the "Agreement"), by and between the Authority and U.S. Bank Trust National Association, successor trustee (said successor trustee and any other successor trustee under the Agreement being herein called the "Trustee"). An executed counterpart of the Agreement is on file at the principal corporate trust office of the Trustee in the Borough of Manhattan, City and State of New York. By the acceptance of this bond, the Registered Holder hereof assents to all of the provisions of the Agreement.

This bond is issued and the Agreement was made and entered into under and pursuant to the Puerto Rican Federal Relations Act and the Constitution and laws of the Commonwealth of Puerto Rico, particularly the Puerto Rico Infrastructure Financing Authority Act (Act No. 44 of the Legislature of Puerto Rico, approved June 21, 1988, as amended, said Act being herein called the "Authority Act") and under and pursuant to a resolution duly adopted by the Authority (the "Resolution").

The Agreement provides for the issuance of additional series of bonds and for the incurrence of other indebtedness under the conditions, limitations and restrictions therein set forth. The Agreement also provides for the creation of a special fund designated "Puerto Rico Infrastructure Financing Authority Special Tax Revenue Bonds Sinking Fund" (the "Sinking Fund") and for the deposit to the credit of said special fund of a sufficient amount of the Pledged Revenues (as defined in the Agreement) to pay the principal of and interest on all bonds issued under the Agreement as the same become due and payable and in respect of all bonds issued under the Agreement prior to November 1, 1997 and still outstanding to provide a reserve therefor, which special fund is pledged to and charged with the payment of such principal and interest.

The bonds of this series consist of serial bonds maturing on July 1 of the years 2011 through 2013 and 2037 and of term bonds maturing on July 1, 2041 (the "term bonds").

The bonds of this series maturing July 1 of the years 2037 and 2041 may be redeemed prior to their maturity, at the option of the Authority, either in whole or in part, and if in part, as directed by the Authority, on any date not earlier than July 1, 2015, from any moneys which may be provided for that purpose and deposited with the Trustee on or before the date fixed for redemption, other than moneys deposited in the Sinking Fund in respect of an Amortization Requirement (as defined in the Agreement), at the principal amount of the bonds to be redeemed, together with the interest accrued thereon to the date fixed for redemption, without premium; provided, however, that the term bonds are subject to redemption in part, from moneys in the Redemption Account of the Sinking Fund, at par plus accrued interest, without premium, beginning July 1, 2038 and on each July 1 thereafter in the principal amount of the respective Amortization Requirements therefor set out in the Resolution as such amounts may be adjusted pursuant to the Agreement.

The moneys in the Sinking Fund available for the purchase or redemption of bonds shall be allocated to all series of bonds outstanding under the Agreement in the manner provided in the Agreement.

The Registered Holder of this bond shall have no right to enforce the provisions of the Agreement, or to institute action to enforce the covenants therein, or to take any action with respect to any default under the Agreement, or to institute, appear in or defend any suit or other proceeding with respect thereof, except as provided in the Agreement.

Modifications or alterations of the Agreement or of any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Agreement.

The bonds of this series are issuable as fully registered bonds in the denomination of \$5,000 and any multiple thereof. The Trustee is required to keep at its principal corporate trust office the books of the Authority for the registration of and for the registration of transfers of bonds. The transfer of this bond may be registered only upon such books and as otherwise provided in the Agreement upon the surrender hereof to the Trustee together with an assignment duly executed by the registered owner hereof or his attorney or legal representative in the form set forth on this bond or such other form as shall be satisfactory to the Trustee. Upon any registration of transfer, the Trustee shall deliver in exchange for this bond a new bond or bonds, registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the principal amount of this bond, of the same series and maturity and bearing interest at the same rate.

The Trustee shall not be required to exchange or register any transfer of this bond during the fifteen (15) days immediately preceding the date of mailing of notice of any redemption of bonds of this series, or after this bond has been selected for redemption.

This bond, notwithstanding the provisions for the registration of transfer contained in the Agreement, shall have all the qualities and incidents, including negotiability, of negotiable instruments under the laws of Puerto Rico.

All acts, conditions and things required by the Puerto Rican Federal Relations Act and the Constitution and laws of Puerto Rico, including the Authority Act, and the rules and regulations of the Authority to happen, exist and be performed precedent to and in the issuance of this bond and the execution and delivery of the Agreement, have happened, exist and have been performed as so required.

FGIC shall be provided with a full transcript of all proceedings relating to the execution of any such amendment or supplement.

(e) FGIC shall be furnished with written notice of the resignation or removal of the Trustee and the appointment of any successor thereto.

(f) (1) Only cash, direct non-callable obligations of the United States of America and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, to which direct obligation or guarantee the full faith and credit of the United States of America has been pledged, Refcorp interest strips, CATS, TIGRS, STRPS, or defeased municipal bonds rated "AAA" by S&P or "Aaa" by Moody's (or any combination of the foregoing) shall (to the extent not inconsistent with the definition of Sufficient Government Obligations in Section 1101 of the Trust Agreement) be used to effect defeasance of the FGIC Bonds unless FGIC otherwise approves. In the event of an advance refunding, the Authority shall cause to be delivered to FGIC a verification report of an independent nationally recognized certified public accountant. If a forward supply contract is employed in connection with such refunding, (i) such verification report shall expressly state that the adequacy of the escrow to accomplish the refunding relies solely on the initial escrowed investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the applicable escrow agreement shall provide that in the event of any discrepancy or difference between the terms of the forward supply contract and the escrow agreement (or the Trust Agreement and this Resolution, if no separate escrow agreement is utilized), the terms of the escrow agreement or Trust Agreement and this Resolution, if applicable, shall be controlling.

(2) For so long as the FGIC Policy shall remain in effect for the FGIC Insured Bonds, (except as provided in the preceding paragraph) moneys in the various funds and accounts under the Trust Agreement may only be invested as follows (to the extent the following investments would otherwise constitute Investment Obligations as defined in the Trust Agreement):

Required collateral levels shall be as set forth in 11(f) below.
- (d) The investment agreement shall provide that if the provider's ratings fall below Aa3 by Moody's or AA- by S&P, the provider shall within ten (10) days either (i) repay the principal amount plus any accrued and interest on the investment; or (ii) deliver Permitted Collateral as provided below.
- (e) The investment agreement must provide for termination thereof if the provider's ratings are suspended, withdrawn or fall below A3 from Moody's or A- from S&P. Within ten (10) days, the provider shall repay the principal amount plus any accrued interest on the agreement, without penalty to the Issuer.
- (f) The investment agreement shall provide for the delivery of collateral described in (i) or (ii) below ("Permitted Collateral") which shall be maintained at the following collateralization levels at each valuation date:
 - (i) U.S. Government Securities at 104% of principal plus accrued interest; or

- (g) The investment agreement shall require the Trustee or Agent to determine the market value of the Permitted Collateral not less than weekly and notify the investment agreement provider on the valuation day of any deficiency. Permitted Collateral may be released by the Trustee to the provider only to the extent that there are excess amounts over the required levels. Market value, with respect to collateral, may be determined by any of the following methods:
 - (i) the last quoted "bid" price as shown in Bloomberg, Interactive Data Systems, Inc., The Wall Street Journal or Reuters;
 - (ii) valuation as performed by a nationally recognized pricing service, whereby the valuation method is based on a composite average of various bid prices; or
 - (iii) the lower of two bid prices by nationally recognized dealers. Such dealers or their parent holding companies shall be rated investment grade and shall be market makers in the securities being valued.

- (h) Securities held as Permitted Collateral shall be free and clear of all liens and claims of third parties, held in a separate custodial account and registered in the name of the Trustee or the Agent.
- (i) The provider shall grant the Trustee or the Agent a perfected first security interest in any collateral delivered under an investment agreement. For investment agreements collateralized initially and in connection with the delivery of Permitted Collateral under 11(f) above, the Trustee and Financial Guaranty shall receive an opinion of counsel as to the perfection of the security interest in the collateral.
- (j) The investment agreement shall provide that moneys invested under the agreement must be payable and putable at par to the Trustee without condition, breakage fee or other penalty, upon not more than two (2) business days' notice, or immediately on demand for any reason for which the funds invested may be withdrawn from the applicable fund or account established under the authorizing document, as well as the following:
 - (i) In the event of a deficiency in the debt service account;
 - (ii) Upon acceleration after an event of default;
 - (iii) Upon refunding of the bonds in whole or in part;
 - (iv) Reduction of the debt service reserve requirement for the bonds; or
 - (v) If a determination is later made by a nationally recognized bond counsel that investments must be yield-restricted.

Notwithstanding the foregoing, the agreement may provide for a breakage fee or other penalty that is payable in arrears and not as a condition of a draw by the Trustee if the issuer's obligation to pay such fee or penalty is subordinate to its obligation to pay debt service on the bonds and to make deposits to the debt service reserve fund.

- (k) The investment agreement shall establish the following as events of default, the occurrence of any of which shall require the immediate liquidation of the investment securities:
 - (i) Failure of the provider or the guarantor (if any) to make a payment when due or to deliver Permitted Collateral of the character, at the times or in the amounts described above;
 - (ii) Insolvency of the provider or the guarantor (if any) under the investment agreement;
 - (iii) Failure by the provider to remedy any deficiency with respect to required Permitted Collateral;
 - (iv) Failure by the provider to make a payment or observe any covenant under the agreement;
 - (v) The guaranty (if any) is terminated, repudiated or challenged; or

- (vi) Any representation of warranty furnished to the Trustee or the issuer in connection with the agreement is false or misleading.
- (l) The investment agreement must incorporate the following general criteria:
 - (i) "Cure periods" for payment default shall not exceed two (2) business days;
 - (ii) The agreement shall provide that the provider shall remain liable for any deficiency after application of the proceeds of the sale of any collateral, including costs and expenses incurred by the Trustee or Financial Guaranty;
 - (iii) Neither the agreement or guaranty agreement, if applicable, may be assigned (except to a provider that would otherwise be acceptable under these guidelines) or amended without the prior consent of Financial Guaranty;
 - (iv) If the investment agreement is for a debt service reserve fund, reinvestments of funds shall be required to bear interest at a rate at least equal to the original contract rate.
 - (v) The provider shall be required to immediately notify Financial Guaranty and the Trustee of any event of default or any suspension, withdrawal or downgrade of the provider's ratings;
 - (vi) The agreement shall be unconditional and shall expressly disclaim any right of set-off or counterclaim;
 - (vii) The agreement shall require the provider to submit information reasonably requested by Financial Guaranty, including balance invested with the provider, type and market value of collateral and other pertinent information.
- 12. Forward delivery agreements in which the securities delivered mature on or before each interest payment date (for debt service or debt service reserve funds) or draw down date (construction funds) that meet the following criteria:
 - (a) A specific written investment agreement governs the transaction.
 - (b) Acceptable providers shall be limited to (i) any registered broker/dealer subject to the Securities Investors' Protection Corporation jurisdiction, if such broker/dealer or bank has an uninsured, unsecured and unguaranteed obligation rated A3/P-1 or better by Moody's and A-/A-1 or better by S&P; (ii) any commercial bank insured by the FDIC, if such bank has an uninsured, unsecured and unguaranteed obligation rated A3/P-1 or better by Moody's and A-/A-1 or better by S&P; and (iii) domestic structured investment companies approved by Financial Guaranty and rated Aaa by Moody's and AAA by S&P.
 - (c) The forward delivery agreement shall provide for termination or assignment (to a qualified provider hereunder) of the agreement if the provider's ratings are suspended, withdrawn or fall below A3 or P-1 from

Moody's or A- or A-1 from S&P. Within ten (10) days, the provider shall fulfill any obligations it may have with respect to shortfalls in market value. There shall be no breakage fee payable to the provider in such event.

- (d) Permitted securities shall include the investments listed in 1, 2 and 3 above.
 - (e) The forward delivery agreement shall include the following provisions:
 - (i) The permitted securities must mature at least one (1) business day before a debt service payment date or scheduled draw. The maturity amount of the permitted securities must equal or exceed the amount required to be in the applicable fund on the applicable valuation date.
 - (ii) The agreement shall include market standard termination provisions, including the right to terminate for the provider's failure to deliver qualifying securities or otherwise to perform under the agreement. There shall be no breakage fee or penalty payable to the provider in such event.
 - (iii) Any breakage fees shall be payable only on debt service payment dates and shall be subordinated to the payment of debt service and debt service reserve fund replenishments.
 - (iv) The provider must submit at closing a bankruptcy opinion to the effect that upon any bankruptcy, insolvency or receivership of the provider, the securities will not be considered to be a part of the provider's estate, and otherwise acceptable to Financial Guaranty.
 - (v) The agreement may not be assigned (except to a provider that would otherwise be acceptable under these guidelines) or amended without the prior written consent of Financial Guaranty.
13. Forward delivery agreements in which the securities delivered mature after the funds may be required but provide for the right of the issuer or the Trustee to put the securities back to the provider under a put, guaranty or other hedging arrangement, only with the prior written consent of Financial Guaranty.
14. Maturity of investments shall be governed by the following:
- (a) Investments of monies (other than reserve funds) shall be in securities and obligations maturing not later than the dates on which such monies will be needed to make payments.
 - (b) Investments shall be considered as maturing on the first date on which they are redeemable without penalty at the option of the holder or the date on which the Trustee may require their repurchase pursuant to repurchase agreements.
 - (c) Investments of monies in reserve funds not payable upon demand shall be restricted to maturities of five years or less.

(g) FGIC shall be provided with the following:

- (i) Notice of the redemption, other than mandatory sinking fund redemption, of any of the FGIC Insured Bonds, or of any advance refunding of the FGIC Insured Bonds, including the principal amount, maturities and CUSIP numbers thereof;
- (ii) Notice of the downgrading by any rating agency of the Authority's underlying public rating to "non-investment grade";
- (iii) Notice of any material events pursuant to the Rule; and
- (iv) Such additional information as FGIC may reasonably request from time to time.

(h) The Authority shall pay or reimburse FGIC for any and all charges, fees, costs, and expenses that FGIC may reasonably pay or incur in connection with the following: (i) the administration, enforcement, defense, or preservation of any rights or security hereunder or under the Trust Agreement; (ii) the pursuit of any remedies hereunder, under the Trust Agreement, or otherwise afforded by law or equity, (iii) any amendment, waiver, or other action with respect to or related to the Trust Agreement or this Resolution whether or not executed or completed; (iv) the violation by the Authority of any law, rule, or regulation or any judgment, order or decree applicable to it; (v) any advances or payments made by FGIC to cure defaults of the Authority under the Trust Agreement; or (vi) any litigation or other dispute in connection with the Trust Agreement or this Resolution or the transactions contemplated hereby or thereby, other than amounts resulting from the failure of FGIC to honor its payment obligations under the FGIC Policy. FGIC reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver, or consent proposed in respect of the Trust Agreement. The obligations of the Authority to FGIC shall survive discharge and termination of the Trust Agreement.

(i) The notice addresses for FGIC and the Fiscal Agent (hereinafter mentioned) are: Financial Guaranty Insurance Company, 125 Park Avenue, New York, New York 10017, Attention: Risk Management; and U.S. Bank Trust National Association, 100 Wall Street, 16th Floor, New York, New York 10005, Attention: Cheryl L. Clarke.

(j) If, on the third day preceding any interest payment date for the FGIC Insured Bonds, there is not on deposit with the Trustee sufficient moneys available to pay all principal of and interest on the FGIC Insured Bonds due on such date, the Trustee shall immediately notify FGIC and U.S. Bank Trust National Association, New York, New York or its successor as its Fiscal Agent (the "Fiscal Agent") of the amount of such deficiency to the Trustee. If, by said interest payment date, the Authority has not provided the amount of such deficiency to the Trustee, the Trustee shall simultaneously make available to FGIC and to the Fiscal Agent the registration books for the FGIC Insured Bonds maintained by the Trustee. In addition:

- (i) The Trustee shall provide FGIC with a list of the Bondholders entitled to receive principal or interest payments from FGIC under the terms of the FGIC Policy and shall make arrangements for FGIC and the Fiscal Agent

(1) to mail checks to Bondholders of the FGIC Insured Bonds entitled to receive full or partial interest payments from FGIC and (2) to pay principal of the FGIC Insured Bonds surrendered to the Fiscal Agent by the Bondholders entitled to receive full or partial principal payments from FGIC; and

- (ii) The Trustee shall, at the time it makes the registration books available to FGIC pursuant to (i) above, notify Bondholders of the FGIC Insured Bonds entitled to receive the payment of principal of or interest on the FGIC Insured Bonds from FGIC (1) as to the fact of such entitlement, (2) that FGIC will remit to them all or part of the interest payments coming due subject to the terms of the FGIC Policy, (3) that, except as provided in paragraph (k) below, in the event that any Bondholder of the FGIC Insured Bonds is entitled to receive full payment of principal from FGIC, such Bondholder must tender his FGIC Insured Bonds with the instrument of transfer in the form provided on such FGIC Insured Bonds executed in the name of FGIC, and (4) that, except as provided in paragraph (k) below, in the event that such Bondholder is entitled to receive partial payment of principal from FGIC, such Bondholder must tender his FGIC Insured Bonds for payment first to the Trustee, which shall note on such FGIC Insured Bonds the portion of principal paid by the Trustee, and then, with an acceptable form of assignment executed in the name of FGIC, to the Fiscal Agent, which will then pay the unpaid portion of principal to such Bondholder subject to the terms of the FGIC Policy.

(k) In the event that the Trustee has notice that payment of principal of or interest on a FGIC Insured Bond has been recovered from a Bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall, at the time it provides notice to FGIC, notify all Bondholders of FGIC Insured Bonds that in the event that any such Bondholder's payment is so recovered, such Bondholder will be entitled to payment from FGIC to the extent of such recovery, and the Trustee shall furnish to FGIC its records evidencing the payments of principal of and interest on the FGIC Insured Bonds which have been made by the Trustee and subsequently recovered from such Bondholders, and the dates on which such payments were made.

(l) FGIC shall, to the extent it makes payment of principal of or interest on the FGIC Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the FGIC Policy and, to evidence such subrogation, (i) in the case of subrogation as to claims for past due interest, the Trustee shall note FGIC's rights as subrogee on the registration books maintained by the Trustee upon receipt from FGIC of proof of the payment of interest thereon to the Bondholders of FGIC Insured Bonds and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note FGIC's rights as subrogee on the registration books for the FGIC Insured Bonds maintained by the Trustee upon receipt of proof of the payment of principal thereof to the Bondholders of such Bonds. Notwithstanding anything in this Resolution or the FGIC Insured Bonds to the contrary, the Trustee shall make

payment of such past due interest and past due principal directly to FGIC to the extent that FGIC is a subrogee with respect thereto.

Section 25. The execution and delivery of a supplemental agreement amending the Trust Agreement is hereby authorized by and between the Authority and the Trustee, and said supplemental agreement (the "Supplemental Agreement") shall be substantially in the form presented at this meeting and attached hereto, filed with the Secretary and marked Exhibit No. 6 to this Resolution and shall be executed in the manner therein set forth.

Section 26. The officers and agents of the Authority and the officers and agents of the Trustee are hereby authorized and directed to do all acts and things required of them by the provisions of said bonds, the Trust Agreement, the Escrow Deposit Agreement, the CD Agreement, the Investments RFP, the Investment Agreement and said Contract of Purchase and to do all acts and things, including the execution and delivery of such other documents, for the full, punctual and complete performance of all the terms, covenants, provisions and agreements under the bonds, the Trust Agreement, the Escrow Deposit Agreement, the CD Agreement, the Investments RFP, the Investment Agreement and said Contract of Purchase and also to do all acts and things required of them by the provisions of this Resolution.

Section 27. The provisions of this Resolution shall become effective immediately upon its adoption.
